

the difference
1 can make.

First I would like to thank all the teachers, parents, and children for saving and submitting their Box Tops for Education. Our first submission made \$353.00. We are one third of the way there and still have a little to go to meet our goal of \$1,000.

To stir up some school spirit and friendly competition, we are going to have a classroom contest. The classroom who submits the most Box Tops for Education will win a sundae party at the end of the year! The competition will run from November 9, 2009 through February 19, 2010. So start saving them up and turning them in!

But, please remember that most importantly these Box Tops for Education earn cash for our school! That is our primary focus. Also don't forget to label your submissions with the teacher's name and classroom number so that they receive credit for it.
