- Thur. Dec 17<sup>th</sup> Athletics: Free @ Miramonte  
Winter Program/Band/Choir  
6:00 pm/MPR

**Pillar of the Month  
"CARING"**

The Pillar of the Month for December is "Caring". We will be showing that we care about one another at school through kindness, sharing, compassion, and helpfulness. We will be remembering to treat others as we would like to be treated.

If you declare this month as Caring month at home, your family could have fun showing kindness through such games as "Secret Buddies" and "I Caught You Being Nice". For example, anonymous notes could be left for others, small chores could be done as a surprise, and family members could "catch" each other in the act of kindness.

Your family could extend the Caring month to those outside your home. Together you could select a group, a cause, or a needy individual to help through food donations, an afternoon of work, or even a loneliness-relieving visit or letter. As you express Caring as a family, the good results will be there for all of you.

**CUSD CO-CURRICULAR ACTIVITIES**
