## Important Reminder for current 6<sup>th</sup> grade students

All students entering the 7<sup>th</sup> grade are required by California state law SB 277 to present documentation of having already received the Tdap booster prior to the beginning of the 2018-19 school year. You must present **WRITTEN DOCUMENTATION** from your doctor or clinic that your child has received this booster prior to entering 7<sup>th</sup> grade. Please submit documentation to the Freedom Health Office by **April 30, 2018**. Your child will not receive their 7<sup>th</sup> grade class schedule until all immunizations are complete. Submitting proof of immunizations early will support a smooth transition into 7<sup>th</sup> grade.
