PRINCIPAL'S MESSAGE

Welcome to Freedom Elementary, a 2012 California Distinguished School, home of the Trailblazers! We look forward to working with you to provide the best education possible for your child. At Freedom Elementary, our staff is committed to establishing a learning environment where high goals and expectations, strong character education, and academic success for *all* students are a priority. We recognize that the key to student success is the valuable link between our students, staff, parents, and community, and we encourage you to become involved in our school! Thank you for your support, and we look forward to building a partnership with you this coming school year.

ABSENCES/ATTENDANCE

All absences must be cleared within five days of the absence. Parents should call the **Freedom Attendance Line at 327-4800 or utilize Parent Connect.** Please refer to the District Guidebook for further details.

ARRIVAL/DISMISSAL

Students may be on campus starting at 7:30 a.m. **There is no supervision until 7:30 a.m.** Students must go home directly at the end of the school day unless they are involved in an after-school activity. **Siblings of students in sports may not wait with them as there is no extra supervision.**

This means that should a staff member have even the slightest suspicion that a child has been abused, they must report it to the Child Protective Services (CPS). Failure to report a suspected case of child abuse leaves a staff member liable and could potentially result in the loss of their job.

CO-CURRICULAR INVOLVEMENT

DISCIPLINE

Maintaining student conduct is necessary to reach our goals of providing a safe school and attaining the highest student achievement. Misbehavior results in specific steps which the teacher, GIS, or principal takes to help the student find acceptable ways to improve his/her behavior. The steps may include a verbal warning, counseling, parent contact, or parent conference. Certain infractions may result in detention or suspension. See CUSD Board Policy 5131 & 5144 for the details.

DRESS CODE

Each student has the responsibility to dress appropriately for the school environment. The Governing Board shall authorize school regulations, which prohibit student dress, or grooming practices which present a hazard to the health or safety of the student; materially interfere with schoolwork, create disorder, or disrupt the educational program in any way; cause excessive wear or damage to school property; prevent the students from achieving educational objectives because of blocked vision or restricted environment. Shoes that allow safe movement of the student must be worn daily for physical education. Please see the CUSD Parent and Student Rights Handbook for more dress code information under Board Policy 5132.

EARLY DISMISSAL

Early release days will be every Wednesday dismissing at 1:20 p.m. This allows for teacher planning, preparation, and grade level articulation.

FIELD TRIPS

All students wishing to participate in school or class field trips must have **written** permission from a parent or guardian. **Students will not be allowed to attend an off-campus activity or field trip without written or verbal consent.**

FIRST GRADE PHYSICAL

CA state law requires that all children entering first grade have a child Health and Disability (CHDP) physical examination within 18 months of beginning first grade. If you have not yet provided the school with proof of the physical, please drop off the completed CHDP form to the nurse as soon as possible.

FREEDOM FRIDAY – SPIRIT DAY

Each Friday the school displays its outstanding spirit by wearing our school colors: red, white or blue. T-shirts and sweatshirts can be purchased from PTC or from the display in the main office.

GRADING POLICY

All students at Freedom in grades 2-6 are graded utilizing the A, B, C, D and F criteria. Within this policy, latitude has been given to the teacher to calculate grades on the following percentage basis:

A = 90 – 100% (Excellent Work)
B = 80 – 89% (Above Average Work)
C = 70 – 79% (Average Work)
D = 60 – 69% (Below Average Work)
F = 59% – below (Failing Work)

The classroom teacher is given the discretion to figure grades based on the percentile framework or on an A=4, B=3, C=2, D=1, F=0 grade point average basis.

In addition, it is the Clovis Unified School District's policy that parents be notified whenever students are in danger of failing classes or subjects.

HEAD LICE

Clovis Unified School District operates on a no nit policy. Under this policy, students will be sent home if evidence of head lice is found. A student may not return to school until he/she has been treated and his/her hair and scalp are free of nits and lice. The student must check in with the school nurse or the office staff before he/she returns to the classroom.

HOMEWORK POLICY

Homework may refer to assignments not completed in class as well as additional projects or assignments to be prepared by the student outside of the school day. Teachers may expect and/or require a student to devote up to 20 minutes (Grades K-1), 30 minutes (grades 2-3) and 45-60 minutes (grades 4-6) to after school study time no more than four days per week.

INDEPENDENT STUDY

*If a student is going to be absent from school (other than illness), the student should be placed on an Independent Study Contract.

*This contract is to be signed by the student and parents.

*All assignments are to be written on the contract and handed in completed once the student returns.

*Parents must request the Independent Study Contract **at least one week before the student will be absent** from school. This will allow time for the teacher and staff to prepare the work for the student to be successful.

*The last day for independent study contracts during the month of December will be no later than three school days before the beginning of Winter Break.

*The last day for independent study contracts during the month of June will be no later than three school days before the last day of school.

*Independent Study Contracts are subject to state guidelines and may include, but are not limited to, rules regarding minimum duration, maximum duration, and virtual distance learning support and/or participation. Details to be provided at the time of request.

*Approval is subject to the principal's discretion.

*Students that do not return from Site Based Independent Study after the completion date will be marked unexcused and are subject to being dropped from enrollment after several days. Please note that this may result in a negative impact on grades, credits, school of enrollment, teacher assignment(s), and/or unforeseen missed opportunities.

School. We promote a positive school environment based on our 4 stars-responsible, respectful, safe, and ready to learn. The development of students to be good and productive citizens in society is part of the school's mission. Students are held accountable for their actions and decisions.

After 5 unexcused tardies in a semester your child will receive recess detention each time they arrive late to class for an unexcused reason.

CUSD CATEGORICAL FUNDING PROGRAM INFORMATION **FOR THE 2022-2023 SCHOOL YEAR**

*"If you think you can, you can. If you think you will, you will.
You can be the difference"*

On an annual basis Clovis Unified School District (CUSD) submits the Application for Funding Consolidated Categorical Aid Programs commonly called the Con Ap. The application is submitted in two (2) parts: Part I, which contains program and demographic information, is submitted by June 1 each year; and Part II, which contains the budget information and additional program data, is submitted by January 31 each year. The categorical programs included in the application are Title I, Part A – (Improving the Academic Achievement of the Disadvantaged Improving, Title I, Part C – Migrant Education, Title II, Part A – Preparing, Training and Recruiting High Quality Teachers and Principals, and Title III – Language Instruction for Limited English Proficient and Immigrant Students. Essentially, these funds are designed to assist students in mastering state standards.

Clovis Unified Schools are committed to establishing a true partnership with all facets of the Clovis Learning Community. CUSD values feedback and input. Parents continue to make positive differences in the lives of the children we all support. We know from research that participation in your child's education will not only bring success to your child but other children in the school. Our parents truly make a difference in the lives of Clovis kids!

CUSD is proud and pleased to offer a variety of parent involvement opportunities that improve our overall program. Depending on the type of categorical funding a site may receive, district or school parent councils and committees are required under certain requirements and guidelines. Such advisory committees in the CUSD include:

School Site Council (SSC)

English Learner Advisory Committee (ELAC)

District Advisory Committee (DAC) and School Advisory Committee (SAC) District Learner Advisory Committee (DELAC)

District Migrant Education Parent Advisory Committee (DMEPAC) District Indian Education Parent Advisory Committee (IPAC) School and District level School Assessment Review Team (SART) Local Control Accountability Plan (LCAP) Community Forums

We encourage all parents and guardians to become involved with their child's education, at the classroom level, the school-wide level as well as the district level. Each school's Single Plan for Student Achievement (SPSA) describes the school's basic educational program and the categorical supplementary programs/services that are designed to support student achievement of each and every student. Parental involvement is a necessary and vital part of developing the SPSA as well as our overall program. At the district level, parent committees provide input into each of the site's SPSA and to the District's Local Education Agency Plan (LEAP). If you would like additional information on any of the District Parent Councils or Committees, please call your child's school. The Principal, Learning Director, or Guidance Instructional Specialist (GIS) would be happy to assist you, or go to <http://www.cusd.com/supplementalservices>.

School Site Council (SSC): All schools receiving categorical funds are required to form a SSC. The SSC is composed of parents, students at the secondary level and school personnel. It is responsible for developing, implementing and evaluating the Single Plan for Student Achievement programs. Members serve for two years and are elected by their peers.

District Advisory Committee (DAC) & School Advisory Committee (SAC): The entirety of the SSC acts as the SAC. The SAC serves as an advisory committee for the purpose of advising schools regarding supplemental education programs and acting as a liaison for their school community. They serve to share information and comments both at the district and site level. These education programs are supplemental education opportunities provide to students who are disadvantaged, English learners, foster youth and/or at-risk. The SSC has approved to designate our SSC pursuant to California Education Code (EC) Section 52852 to function as the School Advisory Committee.

English Learner Advisory Committee (ELAC): All schools enrolling 21 or more English learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC provides input and makes recommendations to the principal, staff and SSC regarding services for English learners as well as conducts an annual survey. Members serve for two years.

District English Learner Advisory Committee (DELAC): Whenever there are 51 or more EL students in the district, there shall be a functioning District English Learner Advisory Committee (DELAC). It is important that each school site ELAC elect a DELAC representative and arrange to have that representative attend every DELAC meeting. Currently the DELAC bylaws require each DELAC representative to be 1) a parent/guardian of an EL or former EL (i.e., a reclassified fluent English proficient student) currently enrolled at the site he/she represents, and 2) elected to serve as the DELAC representative by the site ELAC.

The following is an overview of the categorical funding and programs in CUSD. These funds are further discussed and outlined in each school's SPSA and at the committee meetings.

LCAP School, District Meetings and Community Forums: The Community Forums are exciting opportunities for all stakeholders and school committees to engage with the District and share their ideas on how CUSD can provide quality opportunities and support for CUSD youth and schools. Community participation and feedback in the forums will inform the District's LCAP's funding priorities over the next several years.

These forums are designed to provide an opportunity for school communities to hear about CUSD's current efforts to support youth and families and to provide input and feedback on future plans and opportunities. Sites also have an opportunity to work together in teams to share new ideas to support identified groups and to plan for site engagement and implementation.

Rationale

General District funds provide support for the District's base/core curriculum program. Some children have special characteristics, not reflective of the general school population, that affect their success in the base/core programs. Some come from economically disadvantaged homes; some are educationally disadvantaged or lack English language proficiency because they have a primary language other than English. Children, such as those described above, require supplemental services and materials not generally provided through the base/core curriculum program. The needs of our children are identified and supplemental services and materials are planned and targeted to meet their special needs. Categorical funds are to be used to provide the financial support to meet these special needs.

Philosophy

All CUSD schools offer students with special needs the same kinds of high quality learning opportunities and access to the core curriculum in all curricular areas. Categorical funds are designed to support additional assistance to help students succeed in the regular classroom program (base/core curriculum) and address any learning gaps. The focus is on the effective utilization of supplementary materials, personnel, and staff development. Staff development activities are used to improve instructional practices and strategies to increase the ability of teachers and other staff to challenge and assist all students to reach their fullest potential.

Categorical Program Descriptions

1. **After School Safety and Education Funds (ASES):** This state funded and administered program provides three year grant funding to establish or expand after school programs that provide students with academic support and intervention, enrichment opportunities and supportive services to help the students meet state and local standards in core content areas. The purpose of the ASES program is to create additional educational and recreational opportunities for students within the learning community while providing a safe environment for students. The goals of this program are to: 1) improve academic achievement, and 2) provide enrichment opportunities that reinforce and complement the academic program.
2. **Title I, Part A (Improving the Academic Achievement of the Disadvantaged):** A federal-funded program to provide high-quality opportunities for students in high-poverty schools to meet district and state content and performance standards.
3. **Title I, Part A, Title X, Part C, Education for Homeless Children and Youths:** Title I, Part A funds provide comparable services to homeless children that assist them to effectively take advantage of educational opportunities as provided to children in schools funded under Title I, Part A. These comparable services shall be provided to homeless children in public and private schools, shelters and other locations where children may live, institutions for neglected children and, where appropriate, local institutions such as local community day school programs. This reservation requirement is not formula driven.
4. **Title I, Part C (Migrant Education Program):** A federal-funded program focused on providing services for migratory students and their families.

5. **Title II, Part A (Preparing, Training and Recruiting High Quality Teachers and Principals)**: A federal-funded program focused on teacher and principal training and recruitment programs.
6. **Title III (Language Instruction for English learners(ELs) and Immigrants)**: A federal-funded program focused on assisting school districts in teaching English to limited English proficient students (English learners) and immigrants and helping these students meet the same challenging State standards required of all other students.
7. **Title VII (Indian Education Formula Grant)**: A federal-funded program focused on helping Native American/Alaskan Native students meet the same challenging state standards required of all other students.

The goal of the CUSD staff is to create and maintain the best educational environment possible. This can be accomplished with your support and input. If you have any questions, concerns, or would like to become more involved in the educational process at your school, please contact your school principal. Your school can assist you in learning more about categorical programs. You may want to become involved in your school's School Site Council (SSC), English Learner Advisory Committee (ELAC) and/or attend the Annual Title I Parent Meeting. During the fall each school will send additional information about these activities. At the district level, we encourage you to become involved with our DELAC. We encourage and look forward to your involvement in the programs we offer our learning community.

If you have any questions, please call your child's school or the CUSD Department of Supplemental Services @ 327.0661.

This guidebook has been designed to give you a quick and brief list of answers to questions, which are frequently asked regarding school operations.
