| <p>The CLASSI III rubric was explained and the purpose of this self-evaluation rubric was explained to parents. They were excited to see the level of monitoring that Freedom and CUSD were doing of ourselves in this area. It was explained that we would need parents to support us with this rubric in the spring and help to evaluate us from a parent perspective. There were parents that were willing to help in this area and were willing. As we went through the sections Mrs. Belknap explained to parents what CUSD and Freedom were doing in each of these areas and how we would work as a site to be honest about where we are in all areas and then develop plans of improvement in all areas. Overall parents were pleased and appreciative of the work that is being done in this area.</p> | <p>CLASSI III Rubric</p> |
